africa TODAY

Africa Today publishes peer-reviewed, scholarly articles and book reviews in a broad range of academic disciplines on topics related to contemporary Africa. We seek to be a venue for interdisciplinary approaches, diverse perspectives, and original research in the humanities and social sciences. This includes work on social, cultural, political, historical, and economic subjects. Past special issues have been on topics such as the future of African artistic practices, the socio-cultural life of bus stations in Africa, and family-based health care in Ghana. Africa Today has been on the forefront of African Studies research since 1954.

Keywords: African Studies, Cultures, Diasporas, History, Politics, Anthropology, Art History, Geography, Literature, Religion, Sociology, Postcolonial Approaches

INDIANA UNIVERSITY PRESS

African Studies Journals from the University of Wisconsin Press

African Economic History

publishes scholarly essays in English, French, and Portuguese on the economic history of African societies from precolonial times to the present. It features research in a variety of fields and time periods, including studies on labor, slavery, trade and commercial networks, economic transformations, colonialism, migration, development policies, social and economic inequalities, and poverty. The audience includes historians, economists, anthropologists, sociologists, political scientists, policymakers, and a range of other scholars interested in African economies—past and present.

Ghana Studies, the official journal of the Ghana Studies Association (GSA), is a forum for cutting edge original research about Ghana's society, culture, environment, and history. All of the scholarly articles in *Ghana Studies* are peer-reviewed by two anonymous referees, coordinated by an editorial team based in both North America and Ghana. Since its first issue in 1998, *Ghana Studies* has published significant work by leading international scholars, GSA members, and others working on research with Ghana at its core. In addition, *Ghana Studies* features occasional material, source reports, and book reviews.
